SERVING THE AUCTION INDUSTRY SINCE 1973

Martin & Martin Auctioneers, Inc. can say with pride that we have been in the auction business for over thirty-nine years. In 1973, George Martin and his family began with weekend farm auctions. As machine technology increased and the South began to move from farming to industry, the auctions progressed as well. The business has grown and the market has expanded, but many things remain the same. Martin & Martin's strong commitment to the auction industry, as well as an absolute dedication to our buyers and sellers is unwavering. We pride ourselves in knowing that each member of our auction team has excellent business ethics.
