with an SCC of 250. At one time they were giving 90 lbs. per cow. These cattle are not stressed and are now producing less than that but, with good feed, could be right back

up there. Approx. 60 cows were fresh in the last 60 days, with approx. 20 due to freshen in the next 60 days. Cattle are on monthly herd health and the majority

are A.I. bred. They have been pregnancy checked by a vet, and breeding information will be available on the day of the sale. If you need herd replacements be sure to attend as these are large framed, good

type cows. Given the right feed they will really blossom.

SERVING THE AUCTION INDUSTRY SINCE 1973

Martin & Martin Auctioneers, Inc. can say with pride that we have been in the auction business for over thirty-nine years. In 1973, George Martin and his family began with weekend farm auctions. As machine technology increased and the South began to move from farming to industry, the auctions progressed as well. The business has grown and the market has expanded, but many things remain the same. Martin & Martin's strong commitment to the auction industry, as well as an absolute dedication to our buyers and sellers is unwavering. We pride ourselves in knowing that each member of our auction team has excellent business ethics.
