# Protect Your Investment & Your Reputation

\$300,000,000 worth of construction equipment is stolen in the U.S. every year and resold in the secondary market.

# IRON CHECK

®

IRONcheck™ powered by NER allows equipment buyers to request a search against the nation's largest database of stolen construction and farm equipment before purchasing a used machine. With over 100,000 theft records, IRONcheck is the best industry practice to protect against buying a stolen machine.

*Don't put yourself in an unlawful situation.*
